ECZEMA 30 YEARS; SIMPLE OIL CURES

Wintergreen Compound Stopped Itch at Once—Disease Soon Disappeared.

After dosing the stomach for years and trying all kinds of alleged cures for eczema, Mr. M. T. Firmin, of Wichita, Kansas, reports a perfect cure. He simply washed the skin with an oil of wintergreen compound, mixed with thymol, glycerine, etc.

Mr. M. T. Firmin, for the last 20 years in the employ of the C. S. Daniels Furniture Co., of Wichita, Kans., in the presence of Mr. Higginson of the Higginson Drug Co., made the following statement:

"Eczema first appeared on my body when I was a child 8 years of age. For over thirty years I scratched and scratched and doctored. About the only relief I got was from scratching. The itching was so intense it simply drove me wild.

"About one year ago, the disease covered my entire body from my scalp to my toes. My doctor and my friends all gave me up as incurable.

"Then I commenced using the D. D. D. Remedy for eczema. The first application stopped the horrible itching and gave me a night's sleep. It gave me strength and new hope. I continued growing better every day. My whole body being affected, I would sometimes use the contents of one whole bottle in a day.

"I kept up the treatment for months, the eczema gradually leaving my body and am now entirely cured excepting a little roughness of the skin on my left ankle."

The long experience of the best druggists with this tried and proven remedy have given us all great confidence in D. D. D. Prescription, Honolulu Drug Co., Odd Fellows' Building.
